READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

Anal Ariel

Dear Virgin Territory,

Your magazine is one of the last ones to have hardcore in it, at least that I've seen. So know that I appreciate that. Your April '18 issue had three hardcore layouts, and two of them were anal! I also enjoyed the anal special layout. I was particularly intrigued by Ariel. I've never seen her in your magazine before. Have you printed any other layouts of her? I enjoyed her hairy pussy and the seemingly innocent, curious expressions on her face. I do wish there more than two photos of her doing anal though. Do your teens have a hard time shooting anal? It's somewhat rare, and I've noticed they're a bit more reserved when they do it.

I must also commend you on Ariel's cum shot. I think all of your readers can agree that we love cum shots that take up a full page and show the girl completely glazed with semen. I don't necessarily need it to be a facial. The pop shot can be on her breasts, stomach, ass or inside of her. Thanks again, and I hope to see more of Ariel. Perhaps in more anal?-S.R., Cambridge, England

Dear S.R.,

Ariel also did anal in the March '18 issue of Naughty Neighbors. As far as our teens doing anal, it can be a bit difficult for some of them as they are usually new to it. Having a cock in your ass for the first time isn't always a walk in the park. It can be intense, so sometimes they need to take it slow.

Mini Gapers

Dear Virgin Territory,

What a surprise it was to see Shae's little gaper in her pictorial! Had she fucked or used a dildo prior to shooting these photos? I would love to see her riding cock or using a toy in accompaniment with gaping. There's something very arousing about seeing a girl's pussy stretched open right after being fucked. I know this is something we don't see as much in the teen niche, given how tight they usually are. But it's nice to see mini gapers, which I'm sure your girls experience with the giant cocks you provide them with in vour studio.

Perhaps you'd consider running

a "My First Gaper" special. Have young, wide-eyed girls come to your studio to fuck super-hung studs for the first time. Prior to shooting with you, they'd have only been with average-sized cocks. And now that they're having their first super-sized cocks, they're experiencing their first gaping. It would also be so deliciously naughty to see a girl with a mini gaper squeezing out a creampie. So what do you say?-A., via email

Dear A.,

We weren't sure if readers were interested in seeing more gaper pics. We can do something like that if it's what readers want to see. What do you think, fellas? Write in and let us know.

Diversity For Your Dick

Dear Virgin Territory,

Lovely Nia from the April '18 issue truly enhanced the issue. I think you should include a variety of different kind of girls as often as possible. Seeing skinny blonde and brunette flatties is nice, but there are so many different types of girls you can include. I would also like to see more Asians, black girls, and Native Americans. I would also love to see Middle Eastern girls, although I understand they might be difficult to get because of their conservative culture. Not to be cliched, but variety of the spice of life. And Nia did make this issue more spicy with her sumptuous tits and cocoa-colored skin. The figure on that girl is out of this world!

I could spend hours just marveling at and playing with her tits. Squeezing them, sucking them, putting my face between them. I think Nia's tits are perfect. They're not too big and not too small. And although her tits are on the larger size for what you normally put in your magazine, they're still perky. Her pussy and asshole are also mouth-watering and deserving of hours of attention. I love how ultra-pink her pussy insides look next to her chocolate skin. The photo of her spreading her pussy on page 36 took me from half mast to rock hard. My mouth literally watered as I imagined myself burying my tongue into her tunnel and tasting her tangy juices. And of course it wouldn't be long until I replaced my tongue with my cock, making sweet love to Nia however she wanted it. It's my greatest pleasure to make a girl cum from cock.

Anyway, those are my dirty thoughts about Nia. I share them simply for solidarity with your other readers who have similar types of thoughts. I do hope you'll consider my thoughts about including different kinds of girls in your magazine. -E.B., San Jose, California

Dear E.B.,

We'd love to include more diversity in the magazine. For whatever reason, we don't find girls of different ethnicities as easily. But be assured that we include them when we have them.

Hannah's Still Getting the Hang of Anal

Dear Virgin Territory,

How I love sweet, sweet Hannah! She is one of my favorites. I fell in love with her when I first saw her in your Feb. '18 issue, and I was so glad to see her on the cover of the April '18 issue. And I was even more thrilled when I found out that she was doing hardcore, and anal too! What a sweet thing she is. And even sweeter because I happen to play the piano too! Now whenever I practice I have the memory of Hannah getting butt-fucked and

facialized on and near the instrument that I love so much.

As soon as I saw her pictorial, I went onto your website to see if there was a video of her. Lo and behold, there was a video version to this layout! But there wasn't anal in the video. I was wondering why this was? I'm sure you have an explanation; I'm just curious. Also, will this video be available in a movie? Even if there's no anal in it, I still love to see Hannah have sex and hear her cute Southern accent. That's not something you hear very often in porn videos. I hope she sticks around for years to cum and that there will be more opportunities for her to do anal on video.-F.T., via email

Dear F.T.,

As we explained to reader S.R., our models are usually new to anal, and Hannah falls into that category. It was her first time trying anal. After shooting the anal photos, she was worn out and didn't feel that she had it in her to do anal for the video. We hope you understand. And yes, you can see this scene in After School Slut Club 6.

Busty & Perky

Dear Virgin Territory,

I'd like to request more photos of Kay's puffy nipples. If you have a shot like this, please show her from a profile view with her puffies in prominent view. I find that a side shot is one of the best ways to see a girl's nipples in all their puffy glory. Besides her nipples, her rack is A+. I know a lot of readers like the flat girls, but I enjoy it when you show bustier girls. And there is a very specific reason for that. Busty teen girls tend to have perky tits. Gravity has not yet pulled their bosom down into droopy hangers.

So please don't hold back on the bustier girls. Let us enjoy their youthful, perky bounty!—P.I., Victoria, British Columbia, Canada

Dear P.I.,

Here's a photo of Kay's puffies. And don't worry; we aren't holding back on the busty teens!

Charity Work

Dear Virgin Territory,

I like Charity because she reminds me of an experience that I had in high school. I was a nerdy outsider and didn't have many friends. Tiffany was the most-popular girl in the school, and I had a crush on her just like everyone else. Charity looks very similar to the way Tiffany did. They're both tall, tanned, slender, beautiful brunettes. Up until that point I had never even kissed a girl and thought that Tiffany didn't even know I existed. So imagine how surprised I was when she approached me as I was looking for a book in one of the aisles at the library.

She asked me if I could help her find a book. I told her she was in the wrong side of the library. She giggled and came closer to me, her hand gracing my crotch. I couldn't believe what was happening. Tiffany said she thought I was cute and asked if I'd ever been with a girl before. I shook my head no, and she said we needed to fix that. She unzipped my pants and proceeded to give me the best blow job of my life right there in the library. I didn't last long, and she swallowed every drop of my cum. Later that day I ended up losing my virginity to her in the backseat of her car. We never really spoke again after that, but every now and then she would wink at me in the hallways.

hteen mailing label.

Whenever I see Charity, I'm reminded of that extremely erotic encounter and I can't help but smile. I hope that Charity has a soft spot for nerdy guys just like Tiffany did and makes some unassuming virgin very happy.-W., Salem, Oregon

Dear W.,

Charity does have a soft spot for nerds! You can watch her fuck one (and relive your youth) in the movie After School Slut Club 6.

Pretty & Plain-clothed

Dear Virgin Territory,

Helena is such a juicy teen babe! I agree that she shouldn't be in such a boring school uniform. I'd rather that she be in her own clothes, or

even better, naked! I know school uniforms are big in your magazine, but I was never much a fan of them. I always felt the girls looked sexier in their own casual clothes, even if it was just jeans a T-shirt. If you bring Helena back for more, let her wear her usual clothes. Although maybe it was a good thing that you had her in that plain uniform, as she was more eager to get out of it! Either way, she is a beautiful girl with a pretty smile. I like her bum and little, pointy titties. Hope to see more of her soon.-N.C., Bloomington, Minnesota

Dear N.C.,

Here's a bonus photo of Helena in her own clothes.

Terrible.

Nicole looked into the mirror and smiled. *Dear god*, she thought. No, not just terrible, horrendous.

So, that was it. Despite being a senior and the fact that this was supposed to be the best school year of her life, it was already over. Ruined. And, it wasn't even winter break yet.

Shannon rang the bell again, frowning. What the hell was Nicole doing? She'd asked her to come over, but hadn't answered the door. Not like her. *Oh well*, she thought, giving up and taking the key out of her purse. Wouldn't be the first time she'd let herself in. She thought back to a night during the summer when

Nic and her mom had been visiting relatives. Shannon had taken Nic up on her offer and put her friend's pool to good use...with her boyfriend, James. Skinny-dipping, anyone? Blow job on the floating lounge chair? Was a good thing they hadn't been in the deep side. Shannon would've felt guilty about getting jizz in the pool. Luckily they were in the shallow end. Thanks to the good footing, she hadn't missed a drop. *Gulp!*

She found Nicole in the upstairs bathroom, sitting on the toilet lid with her head in her hands, crying.

"Nicki! What's wrong?" Shannon's BFF looked up, eyes red. Slowly, she smiled.

"They hurt that much?"
"No, that's not it!" Nicole
wailed, shaking her head. "Do
you see how they look? Do
you? They're awful! I'll never
get to blow a guy looking like this!"

Shannon thought that was quite the overstatement, but didn't say so. She tried to be encouraging.

"They don't look that bad, Nic, trust me."

Nicole turned back to the mirror, tried a softer smile. Cringed. Nope, done deal. The train tracks all but made her nice, white teeth invisible. Well, nice if you didn't count the two crooked ones the dentist promised the braces would fix. In 16 months.

"Tell me," she asked. "Which guy do you think's gonna be interested in letting me put his dick in my mouth, huh? Nobody. There isn't one."

"Don't be like that," Shannon

protested. She was trying to figure out some way to brighten her friend's spirits. It wasn't going to be easy, though. Nicki was cute, no two ways about it. But she just hadn't been able to hook up with a guy, and with three months of senior year already gone, things weren't looking up.

"It's not gonna happen," Nicole said resignedly, hanging her head. "Guys're gonna avoid me like the plague. You were there, you heard what Mike and Dennis were talking about in the cafeteria."

Shannon flashed back to the lunchroom the week before. Dennis was bitching about girls who gave lousy head...and how the worst cock suck-

She needed to suck Nicki's tits.

ers he'd been with were girls with braces. He had no idea Nicki was about to get them, he wasn't that much of a dumb ass, but Nicki had been paying close attention.

"I'm going to graduate without ever having gotten kissed. At least you've had some boyfriends. You aren't going to graduate a loser."

"No, I'm not," Shannon agreed, grabbing Nicole by the shoulders. "And, neither are you."

Nicole couldn't deny that. She didn't have time. Shannon's tongue was in her mouth, one hand snaking around her neck to pull her in for the kiss. Shannon had her back to the wall, Frenching her like she'd been

born a full-fledged lezzie. Nicole went limp...before she started kissing back. Really kissing back.

Shannon had another flashback. This past summer, sleeping over, here at Nicole's. Swapping tops and bottoms they'd bought that day for the upcoming semester. Her eyes wandering over Nicki's bare ass whenever the opportunity arose. Telling her friend she should try out some of the tops without bothering with her bra, and Nicole doing it. Shannon didn't consider herself a borderline lesbo, but now, with her tongue tickling Nicki's tonsils and her nips brushing against Nicki's through their shirts? Those were two really swollen pairs

of nips, that was for sure. Shannon couldn't stand it. She needed to suck Nicki's tits. Small or not, the thought of Nicole's nips in her mouth got her pussy tingling.

"Take this thing off, will you?" Shannon urged, grabbing Nicki's sweatshirt and pulling it over her head. Nicole giggled nervously, wondering where this was going to go. Not that she had any reservations about making out with her best friend. Before Shannon went on her first date, the two had downloaded YouTube videos on kissing so Shannon wouldn't feel like such a newb. But, you could only learn so much from videos. It wasn't kinky or anything for one friend to kiss another, right? Like, just to test things out? They didn't think so. So Nicole had been Shannon's practice mouth. And...it had been a

pretty good practice session. A half hour or so, easy. And, the way Nicole remembered it, they'd had a tough time stopping.

Only Shannon, though, had needed it so far. It was still dragging on Nicole that she hadn't been able to get a date yet. Not to mention other stuff. Nicole was no prude. She didn't just want to make out, she wanted to go all the way. She wanted to go down on a guy and suck his dick and make him cum in her mouth. Wanted to get naked and roll around and get laid like so many of her friends at school had. Shannon teased her firm bud with her tongue.

"You still paying attention?" she

said, their eyes meeting. Shannon opened her mouth and engulfed Nicole's small left tit.

Nicole's head bumped against the wall, her worries disappearing, at least for the moment. Shannon began sucking her boobs, working them over as the heat continued to build between her legs.

Another flashback. Shannon recalled what it had been like on her third date with James. They'd been parked out by the lake like they'd done on their first two dates. Only this time, James was all over her. Shannon hadn't tried to slow him down. When James unfastened her bra and got it off in the back seat, he'd gone to town on her boobs, driving her to the brink of orgasm just sucking her tits. And then, well, he didn't miss the opportunity to take her over the edge doing...other stuff.

Shannon channeled that now, licking and suckling as Nicole's knees pressed together, her hand clutching the edge of the vanity, white-knuckled.

"You like it, huh? My mouth on your boobs?" Shannon asked, her teeth circling Nicki's puffed-up areola. She could tell how excited Nicki was just by the way her nipples felt under her tongue.

"Un-hunnn," Nicole mumbled, trembling now. Shannon felt how close she was getting.

"You don't want me to stop?"
"No! Please...don't. It's...it's
the best thing I've ever felt!"

Shannon had no intention of stopping. Instead, she was wondering if Nicole needed to cum as bad as she did. She thought so, but it didn't feel like the kind of thing she could just come out and ask. So, she did the post best thing. She undid

did the next best thing. She undid Nicole's pants and let them slip to the floor, leaving her bestie standing there in nothing but her bloomers. Bloomers with an unmistakable wet spot staring Shannon right in the face. Question answered.

"Can you hang tight for two seconds?" Shannon asked, Nicole looking like she was about to come apart.

"Huh? Where are you going?," she stammered, biting her bottom lip.

"Trust me, just hang in there, baby girl, I'll be right back."

"Hurry!" was all Shannon heard as

she scampered into Nicki's mom's room and rummaged through her dresser. She found what she was looking for and raced back to the bathroom, pussy dew trickling down her thighs.

"Ohmigod! Shan!"

"Time for you to learn what sucking dick is all about. Don't let those braces get in the way, either."

"Suck a-?"

Shannon put the tip of the dildo against Nicki's lips, Nicki's eyes going as big as an anime character's.

The dildo was huge. It must have been eight inches long, thick and so realistic that Shannon felt dirty just handling it. Its heavy rubber balls

She wondered if Nicole needed to cum...

reminded her of James. *God*, she thought. He had better not be working tonight!

"W-what am I supposed to do?" Nicki whimpered, clueless. Shannon released her lip-lock on Nicole's tit and got in close.

"What do you do?" Shannon asked, eyebrow raised. "Do what you've talked to me about doing a million times. Make believe it's real and pretend that you want to make it shoot in your mouth."

She gave Nicki a demonstration. Running her tongue over the bulbous tip, stroking the shaft with her toosmall hand. Then opening her mouth, taking the head of the plastic prick between her lips, fellating it like an expert. Shannon didn't exactly consider herself an expert, but she'd sucked James' dick plenty of times, and that was a hell of a lot more than Nicole had ever done, so if she was showing off a little? Not a big deal.

"Like this?" Nicki asked, holding the dildo in both hands and dragging her pouty lips across the tip. Shannon winked at her. It was hot watching her friend practice. Her do-me muscles got to clenching. James was in for a good time tonight!

"Flick your tongue across the hole. Yeah, really fast. Un-hunh, perfect. James loves it when I do that to him." Nicole did so, then engulfed the

head in her mouth, working it slowly. Shannon was impressed. Nicki didn't seem to be having any difficulty working her way down toward the balls. In fact, she was surprisingly adept at it. Shannon thought back to all the times she'd gagged on James' junk, desperately trying to deep throat him. James had a nice cock, to be sure. Shannon had no complaints about what James had going on in the shorts. But he wasn't anywhere near as thick as the dildo. Nicole's mom apparently had a thing for enormous when it came to her fuck toys.

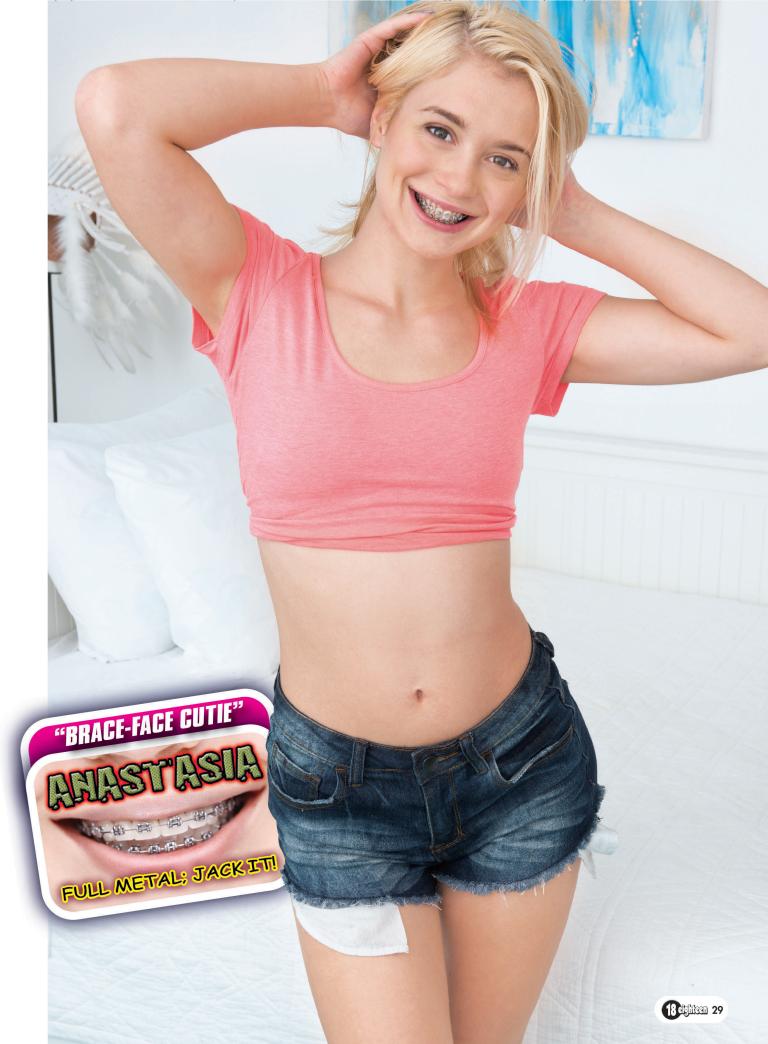

"You're gonna be a regular little deep-throat slut, aren't you?" she asked, fingertips playing around the seam of Nicki's panties. The crotch panel was so wet it was practically transparent. Shannon

could see Nicki's perfectly-outlined cameltoe through the damp fabric. Decided there was no holding back. Pressed her face to Nicole's snatch and planted one on her clit.

Nicki squealed, nearly losing hold of the sex toy. Did, actually, but was able to hang onto it because there were about seven inches buried in her mouth. It gave Shannon an idea. Maybe, she thought. Just maybe...

"Did you just...?" Nicki asked, staring down past the dildo. Shannon didn't respond. Instead, she yanked down the waistband of Nicole's bloomers and licked Nicki's swollen clitoris. The virgin teen shivered.

If you like fit, energetic teens, Anastasia is your girl.

Anastasia played lots of sports in high school, including cheerleading, soccer and cross country. She's also a gymnast. In her free time she likes to exercise and read and write. She has a lot of energy, and naturally that gets channeled into her sex life. "I masturbate all the time. It makes me feel more comfortable with my own body and self. And it makes me feel so relaxed. When I play with my clit I get so wet and sweaty and red all over. It's just so amazing what I can do to make myself cum. I also have sex a lot. I love sex. Everything about it makes me feel good. I have sex every other day or every two days, depending on what's going on. I'm capable of having lots of orgasms. Once I had 10!"

Do you like girls? Have you ever fooled around with a girl before?

"Yes, I've fooled around with lots of girls. I'm bisexual. I've had a few girlfriends. I love girls. Everything about their pussy and boobs is so sexy. I love the way a girl convulses and moans when I go down on her because it's like wow, I made her squirt and moan like that. I also like to play with girls in three-ways. I love getting fucked by a guy and the girl is right there ready to be eaten out."

Hungry for cookies? Barbara has a delicious one between her legs.

Barbara is quite the little baker. Twice a week she bakes a batch of cookies to sell at school. "I also bake cakes and pastries, but people seem to like my cookies the most. They always sell out." The cookie between her leg is also in high demand, but rarely available. "Sometimes guys will make jokes about eating my cookie. The boys my age are dumb. I just roll my eyes. Little do they know that I prefer older men to eat my cookie. Someone who will actually eat it right instead of just making a mess!"

Have you been with many older men? What was it like?

"I had a flirtation with a teacher that never went beyond that. He held back. I'm waiting till I graduate to see if we can be something more. There's so much sexual tension between us. I always leave his class with wet panties. Other than that, I have been with a neighbor who is 43. He was the one who gave me my first orgasm and showed me that older men can be really sexy. While all my friends at school are looking at the cute boys in our class, I'm looking at their dads! Older guys know how to treat a girl and how to give her pleasure. The younger guys are just fumbling around down there clueless!"

She isn't called Sally Squirt because of her tiny size.

Sally gave herself the last name Squirt because almost every time she cums her pussy gushes and she soaks the sheets. We set her up with a stud to fuck the everloving-hell out of her cunt until she showed us exactly how much squirt-juice she could squeeze out of her tiny frame. Sadly, we can't show you this in the magazine due to censorship issues. But if you want to see just how much Sally squirts, you can check out this XXX scene in Naughty Neighbors 6. Some other facts about Sally: she was a cheerleader; she never wears panties; and she cums the best from getting eaten out and fingered.

All girls depicted at least 18 yrs of age. Must be over 18 to call. All major Credit Cards accepted.

"Again," she huffed. "Do that again, Shannon."

"This?" Shannon asked, before tracing a path up Nicole's drenched slit all the way to her sweet spot. Nicole moaned in ecstasy.

"Yes!" she cried, pounding her fist on the vanity. "It feels so good, Shan! So fucking good!"

"So, what are you telling me, Nic? What do you want me to do?"

"Eat it!" Nicole begged, voice cracking. "Eat my pussy, Shan!"

Shannon went down on Nicki's twat like her life depended on it. Before she knew it, she had two fingers up Nicole's box, digging into her own undies and frigging her clit in rhythm to her frenetic muff-dive. Though she had a whopping zero in the slit-slurping experience column, she believed she was doing a damned fine job. Hell, given the wetness spilling out of Nicki's cunny, she was pretty sure she would've earned a four star Yelp review.

Nicole was having a hard time focusing on her dildo-pleasuring duties. Twice already she'd gagged on the wonderdick as Shannon had put her on the verge of climaxing. Drool dripped off the molded nut sac, Nicki's fingers slick with saliva.

"Unh-unh-unnnhhhh-oh!"

"Give me that," Shannon demanded playfully, lips closed around Nicole's clit. She wrenched the dildo from her hands and pressed it against her friend's nether lips. Nicole gasped.

"Party time!" Shannon announced, plunging the dildo into Nicole's virgin fuckhole. She didn't drive it all the way up her, but even the little bit that disappeared into Nicki's snatch was plenty. Just the first few inches were enough to get the cum pouring down the back of Shannon's hand.

Nicki howled, her orgasm stiffening her spine, her toes clenched, her calves taut as she bounced up and down on her heels. Shannon continued to tongue-swab her folds, drawing rapid-fire back-to-back climaxes from her horny classmate.

"N-no, bet-nuhbedro..." Nicole said, making no sense. Shannon took it as a compliment. That cum must've been one hell of a brain-rattler.

Only, that wasn't quite it. Nicole

thrust her twat against Shannon's hungry mouth one last time then pulled away, hauling Shannon to her feet, trying to communicate.

"Now! My bedroom!" she managed, Shannon toting the slippery dildo. "C'mon!"

Nicole grabbed her by the hand and the half-naked 18-year-olds raced down the hall into her room, throwing themselves onto the bed and jostling for position. Nicole wound up on top, getting control of the well-lubed fuck toy, stuffing the cockhead into Shannon's vice-tight slot.

"Awww!" she cried, Nicole giving in to her dirtiest fantasies, straddling Shannon's face and burying her tongue between Shannon's thighs. Girl cream smeared her cheeks as her lips met Shannon's, the taste of her well-lubed cunt heady and sweet.

Shannon eagerly dove back in, 69ing with her bestie, desperate to flood Nicole's mouth with her cum.

"Get me off, Nicki!" she begged. "I need it so bad! Make me cum!"

Shannon's hips bucked. She was so close. Nicki worked another inch of dildo up her-a tight fit indeed. Still,

she kept at it. The wetter Shannon got, the more cock Nicki crammed into her, until finally, the dildo's heavy balls were nestled against Shannon's plugged entryway, Nicole pounding the full eight inches into her pussy. Shannon thought about James, wondered if he'd left practice yet. She pictured him, cumming on her face while Nicole ate her out, the thought of having both of them doing things to her at the same time bringing another climax. A three-way with her guy and best friend. Two mouths turning her on. Two tongues to tease her sensitive spots. A cock and pussy to keep her occupied at both ends simultaneously. Her whole body started to quiver.

"Nicki! Now!"

She came, Nicole slobbering all over her slit, teasing the smooth gap between her lips, thumbing her aching button while she furiously worked another orgasm out of her.

"Ohhh, ohhh, ohhh, yeah, babe, yeah! Just like that, Nic! Ungh-stick it all the way in! Fuck me with your mom's rubber cock!"

Nicole did as asked, packing Shannon's snug hole with the fake hard-on. Shannon creamed, orgasm so intense it nearly brought tears. She was having a hard time catching her breath, gasping for air. Nicole pulled her mother's cum-generator out of Shannon's gash, tonguefucking her pal, greedily guzzling the fluid flowing down her throat.

"I feel like I'm gonna pass out!" Shannon whimpered, her muscles clenching around Nicki's tongue. The taste of cunt juice swept into Nicki's mouth, Shannon's fragrant nectar filling her nostrils. Nicole came at the same time, Shannon getting a taste of Nicole's girl goo.

'Get up here," Shannon said breathlessly, pulling Nicki between her legs, wedging the dildo balls between her cunt lips and pretending they were her own.

"You!" she ordered, pointing. "Down on all fours, you dirty suck slut. I'm not through with you yet!"

It was hard not to giggle, but Nicole did her best, obediently getting down and putting her shapely round ass on display. The insides of her thighs were streaked with cum, her snatch still

Maddie, do you ever masturbate? It helps to explore your body.

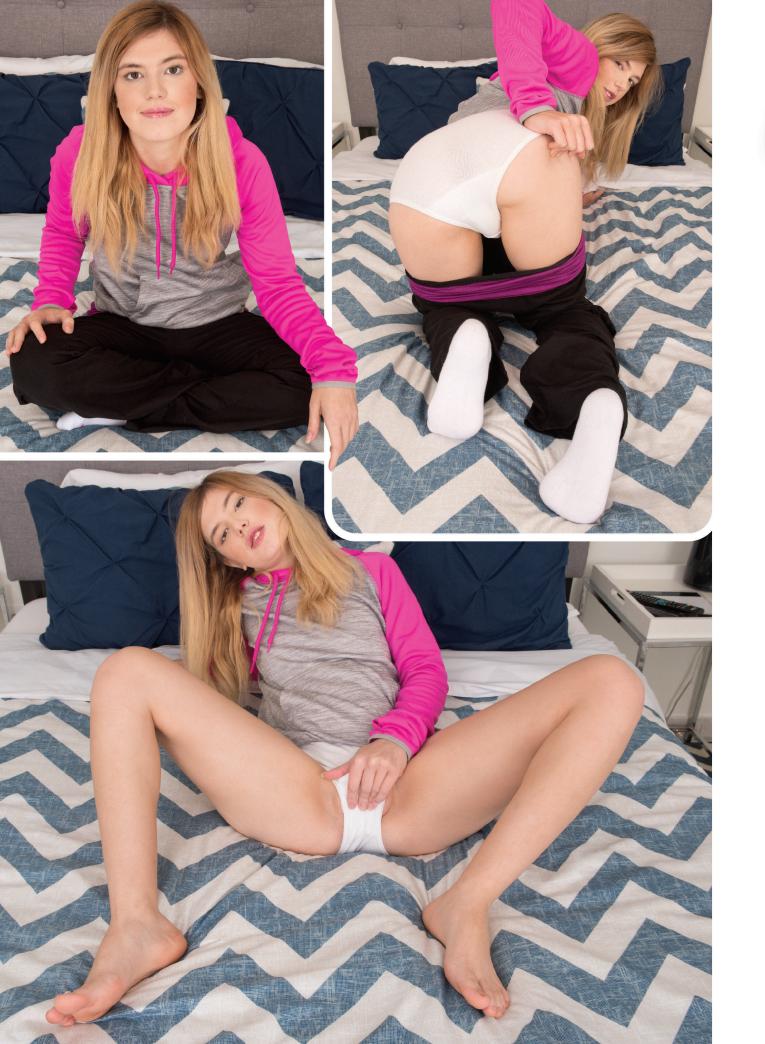

"I don't really masturbate. I feel horny, but I tend to just sit in it until I eventually have sex. I also don't have sex very often. So I guess you could say I'm horny a lot! Now I'm trying to masturbate more, though. Everyone raves about it, so I want to see what the big deal is about. The times that I have masturbated have been when a guy was watching me. Knowing that it turned him on is what turned me on. There was even one time that I even came at the same time as the guy while we masturbated."

Do you have any special talents you can tell us about?

"I give good blow jobs. My nickname is magic mouth [Laughs]. Guys always hit me up again after I go down on them. It's something that I like, and I guess in a way I like that I can control them. When I'm sucking their dick I'm running the show. And if there's any doubt about my skills, just ask my 50-year-old boyfriend. He's been around long enough to have gotten lots of blow jobs, and he says I'm the best. And he's not the only one who's said that to me."

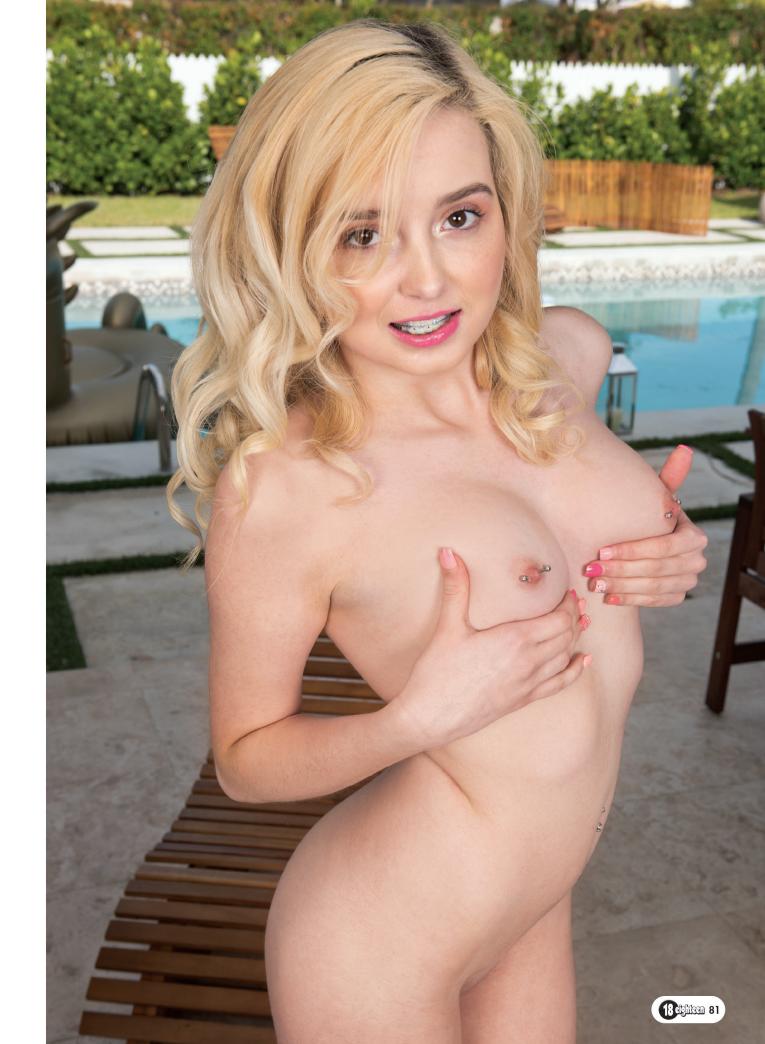

What's the kinkiest thing you've ever done, Lexi?

"There's been a few things. I bought a tent off the internet for the purpose of losing my virginity. I had sex in it in my grandparents' backyard. I even brought a mattress out to the tent. I've also had sex in my friend's living room and kitchen while that friend was asleep on the couch in front of us. I like having sex that's sneaky and undercover. I've also given road head and been in a three-way with another guy and girl. And getting my pictures taken like this is pretty kinky. I'm not worried about people I know finding out. In fact, I kind of hope they do. And I hope they masturbate to my pictures and videos."

ready for action.

"What do you say, baby girl?" Shannon asked, giving her a swat on the rump. Nicole wiggled her butt, looking back over her shoulder.

"Give it to me, Shan," she said. "All of it. I mean it. Don't hold back. Fuck me. Really fuck me."

"You sure?" Shannon confirmed, the tip of the dildo spreading Nicole's pink portal.

"Uh-huh," Nicole said, excited now. "Give it to me, Shan!"

Shannon thrust forward, fingers digging into Nicole's hips to keep herself steady. The back pressure as she plunged into Nicole's slit sent shockwaves through her own box, the dildo's hangers squelching against her vulva. The sensation was outrageous.

"Aaaaggghhh!" Nicole cried, her virginity disappearing as the sex toy tore through her hymen and plowed in beyond, farther than anything Nicole had ever experimented with before. Fingers, the handle of her hairbrush, a particularly suggestive-looking carrot. But none of those compared to this. This? This was something different altogether. This was something she was going to need again. Maybe even something she couldn't live without.

Shannon was having similar thoughts. Faux-fucking Nicki doggiestyle, she was thinking, *Strap-on*. We're going to need a good strap-on if we're going to keep doing this...

If? Who was she kidding? As much as she loved getting drilled by James, or how the taste of his jizz turned her into jelly, going down on Nicole? That had been an eye-opener. Having a girl perform oral on her? She could still feel Nicole's tongue on her clit. Something else popped into her mind.

A double-dong. A two-headed cock they could both have inside them while using their end to fuck each other. How freaking cool would that be? They could be on top of each other, face-to-face, playing with each other's tits, making out, while both of them were getting righteously fucked at the same time. Shannon was going to have to check that out. Order one online. She didn't even care if it cost extra to rush-ship it. She was pretty sure that she and Nicole were going to

need it before the weekend.

She reached around, cupped Nicki's barely-there boobs.

"How you doing, sexy?" she asked, feeling another climax approaching. She gave Nicole's right nip a squeeze.

"Al-almost there," she grunted. "Jus-just a l-little bit, m, more."

Shannon tweaked both of Nicole's buds, gently pinching the firm flesh between thumb and forefinger. Nicole shrieked, her cry of ecstasy a long, drawn-out mewling.

Shannon stuttered, feeling it deep inside her. Her cum hit right on top of Nicole's, the knobby balls jammed up into her slit, the vibrations from Nicole's orgasm traveling through the toy and straight into her nexus. The two exhausted teenagers collapsed on top of one another, the room heavy with the scent of sex.

Nicole came out of the shower still a little wobbly. Shannon strode over and gave her a deep kiss. She'd yanked the soiled bed sheets off and put on another set. Nicole thanked her.

"Oh, I didn't do that for you," she said, a smirk crossing her face. Nicole didn't get it. Before she could ask, though, the doorbell rang.

"Who can that be?" Nicole wondered, fastening her pants and heading for the door. Shannon didn't say anything. She didn't follow, either. Nicole pulled open the front door, surprised to see James there, carrying a bag from the drug store.

"Delivery," he announced, smiling. "Oh, hey James, c'mon in."

He stepped into the hall, the erection in his jeans impossible to hide.

"Shannon's upstair-" she began. Only, Shannon wasn't. She was right there on the staircase. Not only that, she wasn't wearing anything. Not unless you counted her broad smile. Nicole turned back to James, who had opened up the paper sack. He took out a six-pack of condoms.

"As you ordered?" he asked, getting in behind Nicole and grinding his bulge into her butt crack. She looked to where Shannon was waiting.

"What good is practicing if you don't put what you learn to good use?" her friend asked, sandwiching Nicole between her and James. "Plus...I just know you're gonna love the taste of jizz!"

As it turned out, she was right.
